

Join the Club

Amelia's Aero Club

Join a community of learners building confidence, identity and sisterhood!

Amelia's Aero Club (AAC) invites middle school learners (grades 6–8) to dive into STEM (Science, Technology, Engineering and Mathematics). Kick off your journey to become the next generation of innovators!

AAC Meet Ups:

- **Orientation** *get to know the club!*
- **Soar & Explore Summit** *start your adventure with us*
- **Glo Up Aviatrix** *meet inspiring experts*
- **Lashes 'N Lab Coats** *step into real STEM roles*
- **HER Footsteps** *enjoy peer mentoring*
- **Alaska Airlines Aviation Day** *field trip in Spring 2027*

AAC exposes students to high-demand careers and helps them develop confidence and resilience, showing participants that a future in STEM is both viable and attainable.
